

Dear Lady Packer Supporter,

One team, one goal is a recurring theme among successful athletic programs, but few schools can match the pride and tradition of Colquitt County High School. As Moultrie's only established High School with the largest collection of Alumni, we can put this pride and tradition to work for our Lady Packers Basketball team.

The Lady Packers Fast Break Club is a group of donors that support girl's basketball at Colquitt County High School. Donations to the Fast Break Club will allow our student-athletes and coaches to compete among the Georgia High School Association elite programs. Donations to the Fast Break Club will support special items recommended by Coach Williams and her staff such as upgrade of equipment, uniforms, summer team camps, individual exposure camps, coaches' clinics, and other competitive needs for our athletics.

The overall mission of the Colquitt County Lady Packers Fast Break Club is to offer quality experiences that will enable all participants to maximize their talents abilities; resulting in the creation of the best all around basketball program possible.

What can you expect from your sponsorship?

- Potential new customers – we will be filling Gym with Alumni, student, and other fans.
- Lady Packer athletic paraphernalia
- Banner Signs
- Sponsorship is tax-deductible

Once you take a minute to look at the different levels of support, we are confident you will find a program to fit you or your business goals. This will help bring customers to your establishment and fill the seats of the Colquitt County High School Gymnasium which is the most widely use facility on campus. We hope that you will support the Lady Packers 2022-2023 season and let us ride this wave of excitement together.

Sincerely,

Fast Break Club
