

## Parent Volunteer Opportunities

2019-20

Dear Parents,

The faculty and staff here at Norman Park Elementary would like to invite you to be a part of our team. We want you to be an active partner in your student's education. Our doors will be open for you to volunteer.

If you are interested in any volunteer opportunities please contact myself via phone or email for details. My contact information is listed below.

Norman Park has a highly qualified faculty and staff and is ready to help you maximize your child's education. Let's make this a great learning experience for all of our students!

Thank you

Ms. Brittany Beck

Parent and Family Engagement Coordinator
