Dismissal Plan

Please place your name card in your vehicle so that it is visible. Listen for your child's name and post number, and proceed to the number called in order to meet your child.

Please stay in your car when picking up your child. For safety reasons, students will enter the car from the passenger side. If a child needs your assistance, please pull your car to the side and allow other cars behind you to continue exiting.

When the above procedures are followed, we should be able to quickly dismiss several hundred cars within a short amount of time. Please plan to arrive at school no earlier than 2:25 p.m. and no later than 2:45 p.m. Arriving earlier tends to cause traffic backups for other Moultrie drivers. We appreciate your cooperation in this matter.

Please note that during dismissal, there are no left turns into Car Ramp B from Oak Street. The Front Office can be accessed by driving up Oak Street and turning left onto 2nd Street; any such driver who needs access to the Front Office for any reason other than pick up will make a left turn into the front parking area in Car Ramp A, and drivers in line for Car Ramp A will give these cars the right of way. At no time will drivers in line for Car Ramp A obstruct the entrance to the school; it is to be treated like an intersection. Please start merging into the line for Car Ramp A at the red-light intersection of Tallokas Road and 2nd Street, and please start merging into the line for Car Ramp B at Cherry Avenue and S. Main Street.

Thank you so much for your cooperation and attention to this matter! We expect a learning curve as our R. B. Wright community adopts and implements this plan. It is our desire to meet the needs of our children, parents, and staff and to safely and efficiently dismiss our student body in a manner that reflects our model of excellence!

** Please note that no child may be checked out after 2:00 p.m., nor will any requests for changes in transportation be accepted. At 2:00 p.m., we will make announcements about changes to afternoon routines. This will allow us to make sure we have provided the correct information, as well as allow your child time to make sure he/she understands any changes. Additional information on Arrival and Dismissal can be located in the Student Handbook on pg. 2.*
