

Colquitt County Schools

Strategic Plan

Initially Adopted: March 25, 2013

Revised: March 19, 2018 (Board Approved)

Table of Contents

Goal 1: Develop Future Ready Students:

100 % of Colquitt County graduates will be future ready by having successfully completed a college and/or career pathway.

Goal 2: Hire and Retain 21st Century Professionals:

100% of staff employed and retained by the Colquitt County Schools will be highly qualified/properly credentialed.

Goal 3: Cultivate Leadership for Innovation and Collaboration:

The plan to foster leadership for innovation and collaboration by meeting on a scheduled basis with parents, teachers, students, and community partners will be followed with 100% fidelity.

Goal 4: Incorporate 21st Century Systems:

The system will provide technology necessary to support the 21st century student learning and teacher instruction in 100% of the schools.

Goal 5: Implement a Balanced Budgeting, Planning and Funding System:

Each year, Colquitt County School System will implement a balanced budgeting, planning, and funding system while providing facilities, technology, safety, and other pertinent matters necessary to support 21st century student learning.

Goal I: Develop Future Ready Students:

100 % of Colquitt County graduates will be future ready by having successfully completed a college and/or career pathway.

Objective	Responsibility	Strategy	Resources Needed	Timeline/Expectation
1.1 Ensure teacher understanding and alignment of Georgia Performance Standards to instructional practices. (Vision Project 4.3)	Assistant Superintendent of Curriculum & Instruction	Provide on-going training within the county for all teachers on the GSE and associated assessments	Curriculum Directors, academic coaches, ISS and possible consultants. Title II and Title V-B funds for training	100% of Colquitt County School System teachers will participate in appropriate curriculum alignment professional learning 2018-2019.
1.2 Utilize Professional Learning Communities to support vertical and horizontal alignment and facilitate collaboration. Ensure that teachers work and plan together, learn and share effective teaching practices, and are provided support for their on-going learning. (Vision Project 4.1)	Assistant Superintendent of Curriculum & Instruction	Generate resource materials that outline vertical/horizontal alignment across grades	Curriculum Directors, academic coaches, ISS and possible consultants. Teacher leaders in each school to re-deliver	100% of Colquitt County schools will develop, implement, and support on-site Professional Learning Communities in 2018-2019.
1.3 Utilize disaggregated data and to ensure effective instruction in order to improve performance of all subgroups. (Vision Project 3.3)	Assistant Superintendent of Curriculum & Instruction	Generate student performance data for schools, provide training on Statewide Longitudinal Data Systems and expect its use at the teacher level, support Georgia Formative Instructional Practices in all schools	Testing clerk, Director of Technology, Directors of Curriculum. School site administration oversight of Formative Instructional Practices implementation.	100% of Colquitt County School System's teachers will be trained in the utilization of SLDS and on how to effectively analyze student data to guide instruction in 2018-2019.
1.4 Align paths of study and courses in elementary, middle, junior high and senior high schools based on college and career readiness. (Vision Project 4.3)	Assistant Superintendent of Curriculum & Instruction	Train principals in the CCRPI and what is expected at each level to be on track for college and career readiness.	Ensure all principals participate in online webinars and use the information to plan for student success towards college/career	100 % of Colquitt County schools will be trained to effectively evaluate CCRPI results each year in 2018-2019.

1.5 Continue improving gifted instruction and programming K-12.	Assistant Superintendent of Curriculum & Instruction & Directors of Gifted Services	Continue PR and communications efforts with parents and stakeholders.- Evaluate historical data regarding K-12 GT student achievement, and adjust program requirements, testing procedures, and pedagogy accordingly	Parent input, GA DOE guidance, visit exemplary programs in GA., gifted endorsed teachers, design advanced curriculum content	100% of Colquitt County School System's schools will be trained on GT instructional models and testing procedures in 2018-2019.
1.6 Ensure consistency across the county with all forms of assessments	Assistant Superintendent of Curriculum & Instruction	Provide system wide testing orientation for all state mandated assessments; facilitate the development of a balanced assessment system to include: common formative and common summative benchmark assessments	Testing Clerk, Curriculum Directors, Instructional Support Specialists, Principals, Assistant Principals, Title I, Professional Development, and Title V-B	100% of Colquitt County School System's administrators and teacher leaders will be trained in the development of student assessments and district guidelines in assessment and grading in 2018-2019.
1.7 Use multiple forms of assessment grounded in objective data to direct teachers' instructional decisions, to regularly provide meaningful feedback to students and parents, and to ensure that teachers use varied measures to determine what students know and can do. (Vision Project 4.4)	Assistant Superintendent of Curriculum & Instruction	Review report cards for all grades in terms of standards taught, decide upon effective progress monitoring of student work, use of formative assessment	Parent Portal, revised reporting of student work, use of Statewide Longitudinal Data Systems, improved communications to parents at parent conferences	At least twice in 2018-2019, student benchmarks and universal screener data will be reviewed to evaluate student growth.
1.8 Foster relationships with early learning partners that include all public and private human service organizations. (Vision Project 3.1, 3.2, and 3.5)	Assistant Superintendent of Curriculum & Instruction, Pre-K Director, and Pre-School/Pre-K Transition Coach	Coordinate efforts with other human service organizations to provide educational opportunities for children birth to five.	Community participation, resources/grants, and common vision of the effect of early learning on long-term success of students.	The Early Childhood Collaborative will meet three times in 2018-2019.

[Back to Table of Contents](#)

Goal 2: Hire and Retain 21st Century Professionals:

100% of staff employed and retained by the Colquitt County Schools will be highly qualified/properly credentialed.

[Back to Table of Contents](#)

Objective	Responsibility	Strategy	Resources Needed	Timeline/Expectation
2.1 Provide staff professional development opportunities that are aligned with district priorities, i.e., Curriculum - CCGPS, Instruction - Effective Strategies, Assessment - Summative and Formative.	Assistant Superintendent of Human Resources, Federal Programs Director	All system staff will complete professional learning survey. Each school staff will complete Title IIA Needs Assessment. System Professional Learning committee will meet and use Needs Assessment data to determine priorities.	Assistant Superintendent of Human Resources/Student Services will prepare and implement professional learning survey system-wide. Principals and school leadership will complete Title IIA needs assessment document.	100% of all certified staff will participate in professional learning activities annually.
2.2 Implement TKES/LKES (Teacher/Leader Keys Effectiveness System) (Vision Project 6.3)	Principals and Superintendent	All designated professional staff members will be assessed utilizing the new State mandated model	Training and time.	100% of all certified staff will be evaluated using TKES/LKES annually.

[Back to Table of Contents](#)

Goal 3: Cultivate Leadership for Innovation and Collaboration:

The plan to foster leadership for innovation and collaboration by meeting on a scheduled basis with parents, teachers, students, and community partners will be followed with 100% fidelity.

[Back to Table of Contents](#)

Objective	Responsibility	Strategy	Resources Needed	Timeline/Expectation
3.1. Establish a county-wide parent leadership committee.	Superintendent	There will be parent leadership meetings scheduled throughout each school year. (At least annually)	Each principal will submit at least two parents from their parent leadership members to serve on this committee.	Hold 100% of the meetings annually.
3.2 Establish a county-wide teacher leadership committee.	Superintendent	There will be teacher leadership meetings scheduled throughout each school year. (At least annually)	Each principal will submit two to three teachers from their faculties to serve on this committee.	Hold 100% of the meetings annually.
3.3 Establish connections with community leaders and agencies through presentations and/or membership by district leaders	Superintendent	The superintendent and/or district leaders will partner with local community organizations through membership/participation	Organizations such as Rotary, the Chamber, NAACP, United Way, the Hospital, Kiwanis, the YMCA, the Colquitt County Arts Center, the Moultrie-Colquitt County Library, ABAC, SRTC, and many other agencies will be identified.	District leaders will participate or present annually at community events/organizational meetings.
3.4 Establish a secondary school student leadership committee (Vision Project 8.7)	Superintendent	There will be student leadership summits held each school year. (At least annually) Students from the middle, junior and senior high schools will be identified from the school's student council to participate in these leadership summits.	Each principal will submit at least twenty students per school from the middle/junior/high school to serve on the student summit.	Hold 100% of the meetings annually.

<p>3.5 Implement and monitor Colquitt County School Systems Communications Plan to promote public education as the cornerstone of American democracy by publicizing student and school success through all available media. (Vision Project 2.1)</p>	<p>Superintendent/ School Community Relations Coordinator</p>	<p>Improve two-way communication between school system and publics we serve. Improve awareness of system accomplishments in the community. Improve employee and student morale.</p>	<p>Student, Parent, and employee input.</p>	<p>Annually review and/or revise Communications Plan and survey data annually to determine stakeholder perceptions of schools and school district. (Vision Project 8.4) and that 100% of all goals are being met to effectively communicate to all stakeholders.</p>
<p>3.6 Develop safe, orderly, supportive learning environments built on respect and encouragement where all individuals believe they can make a positive difference (Vision Project 8.1 and 8.2)</p>	<p>Superintendent/ Assistant Superintendent of Student Services, Faculty/Staff</p>	<p>Continue to re-enforce our Mission Statement in word and deed. The Colquitt County School System is committed to the daily pursuit of excellence in student achievement while working with parents and the community to serve the needs of all children in a positive and safe environment.</p>	<p>Participation by all personnel in striving to live out our mission statement.</p>	<p>Annually review all stakeholder feedback to determine the climate of our schools/offices.</p>

[Back to Table of Contents](#)

Goal 4: Incorporate 21st Century Systems:

The system will provide technology necessary to support the 21st century student learning and teacher instruction in 100% of the schools.

[Back to Table of Contents](#)

Objective	Responsibility	Strategy	Resources Needed	Timeline/Expectation
<p>4.1 Establish a technology device purchase and re-cycle plan.</p>	<p>Director of Technology & Assistant Superintendent of Curriculum and Instruction</p>	<p>Ascertain the current status of our district technology inventory and develop an appropriate cyclical plan for centralized purchasing and recycling.</p>	<ul style="list-style-type: none"> • Web-based inventory software. • Completion of school technology needs assessment. • Budget meetings with schools regarding opinion of appropriate budgetary allocation. • School Improvement Plan indicative of technology usage, needs assessment and purchasing plan. • Centralized purchasing process to take advantage of volume discounts. • Procedure for properly rating the condition of equipment for active use, surplus, or recycling. 	<p>Ongoing 100% completion of web based inventory, May. 100% completion of school needs assessments, April/May. 100% participation in budget meetings March.</p>
<p>4.2 Utilize technology in as many aspects of instructional and administrative programs as is appropriate and feasible. (Vision Project 4.2)</p>	<p>Director of Technology & Assistant Superintendent of Curriculum and Instruction</p>	<p>Engage in continuous technology professional development, evaluate technology integration, and monitor student and teacher technology literacy. Increase training opportunities on SLDS/state related state resources, D2L learning management system, and other web-based curriculum software.</p>	<ul style="list-style-type: none"> • Attendance at state/national technology conferences, consortia meetings, and local professional development. 	<p>100% participation in applicable conferences by technology staff by July 1 each year.</p>

<p>4.3 Ensure that network infrastructures are up to industry standards.</p>	<p>Director of Technology & Director of Network Services</p>	<p>Increase the bandwidth to 1GB for desktop and between racks. Install industry standard wireless management in all schools. Increase the number of network drops in each classroom. Replace Cat5 cabling with Cat6 in all locations. Install Power Over Ethernet switches in locations not meeting industry standard. Install battery backup systems in locations not meeting industry standard. Install media server that uses industry standard H264 video. Install system wide Voice Over Internet Protocol system for voice communication.</p>	<ul style="list-style-type: none"> • System/School Inventory Reports • Input from vendors. • Usage of ticketing system 	<p>100% completion of school needs assessments by March of each year.</p>
<p>4.4 Ensure that all classrooms meet the baseline for required classroom technology.</p>	<p>Director of Technology</p>	<p>Increase the number of instructional classrooms meeting the baseline for required technology. PK-2nd Baseline: 5-7 iPads 1-2 Student Desktop Computers Teacher Desktop connected to Interactive Whiteboard with data projector. 3rd-12th Baseline: 8-12 Chromebooks 1-2 Student Desktop Computers Teacher Desktop connected to Interactive Whiteboard with Projector or Interactive Panel.</p>	<ul style="list-style-type: none"> • Key Concerns including but not limited to: <ul style="list-style-type: none"> ○ Purpose. ○ Classroom exclusions. ○ Device exclusions. ○ Network connectivity exclusions. ○ Theft/disciplinary details. 	<p>Ongoing</p> <p>100% of 3rd-12th grade academic classrooms meet baseline by August 2018.</p> <p>Increase number of PK-2nd grade classrooms meeting baseline by 20% each year.</p>

[Back to Table of Contents](#)

Goal 5: Implement a Balanced Budgeting, Planning and Funding System:

Each year, Colquitt County School System will implement a balanced budgeting, planning, and funding system while providing facilities, technology, safety, and other pertinent matters necessary to support 21st century student learning.

[Back to Table of Contents](#)

Objective	Responsibility	Strategy	Resources Needed	Timeline/Expectation
5.1 Prepare a five year spending plan. (Vision Project 9.3)	Senior Assistant Superintendent of Finance & Business Services	Work closely with system and building level administrators to determine needs and future financial goals.	Historical financial data found in Munis and current/future year budget and actual information.	Meet twice annually to discuss five-year spending plans and make adjustments where needed.
5.2 Research innovative ways and means to be more effective, efficient, and fiscally responsible.	Superintendent	Work closely with system and building level administrators to determine needs and future financial goals. In addition, take advantage of professional learning opportunities relating to school finance and keep abreast of legislation and legal issues regarding school finance.	Work with other state/local agencies and finance personnel in other Georgia school systems.	Meet monthly with system and building level personnel to discuss budget/finance as well as legislative/legal issues.
5.3 Develop safe, orderly, supportive learning environments built on respect and encouragement where all individuals believe they can make a positive difference (Vision Project 8.1 and 8.2)	Senior Assistant Superintendent of Finance & Business Services	Coordinate efforts of law enforcement agencies both local and state to ensure the safety of all students and staff Coordinate with principals/administrators concerning school safety plans, conduct safety walk through of all schools, and hold mock emergency drills.	Assistance of staff, local law enforcement agencies, and GEMA.	Annually or as needed, meet with local/state law enforcement agencies to stay current on all law and regulations concerning school safety. Annually or as needed, meet with 100% of principals/administrators to review safety plans and procedures.

5.4. Establish a senior administrative succession plan. (Vision Project 6.3)	Superintendent	Prepare and implement a succession plan for senior staff administrators.	Research established succession plans for executive and CEO positions.	Conduct an annual review of current succession plan to ensure effective coverage in all positions in the event of personnel change.
5.5 Instill that while individual schools need to remain autonomous we must function as a school system	Assistant Superintendent of Curriculum & Instruction	Conduct quarterly Curriculum/Instruction meetings with Principals and Assistant Principals of all grade levels (elementary, middle, high); establish system level non-negotiables with the collaboration and cooperation of school personnel	<ol style="list-style-type: none"> 1. System's Division of Curriculum/Instruction 2. Principals and Assistant Principals 	Hold 100% of all meetings annually.
5.6 Manage the progress of the AdvancEd monitoring and reporting	Assistant Superintendent of Curriculum & Instruction	Document progress on the three required actions as identified by the visiting committee.	Staff Involvement	Complete by November 2018
5.7 Implement year four of five year Charter System status	Superintendent	Implement expectations identified for year one in our charter contract	Staff and Community Involvement	Complete by May 2019
